

Engage for Change | local

It is a great pleasure to invite you to an Engage for Change | local event, sponsored by the National Deaf Center on Postsecondary Outcomes! The goal of Engage for Change | local is to gather together individuals with diverse experiences and perspectives to continue the discussion of how we can improve education and employment outcomes for deaf individuals in our local community. Your ideas, experiences, and input are valuable and will become part of our future action plan to create impact!

The event will take place at Lexington School for the Deaf, located at 25-26 75th St, East Elmhurst, NY 11370. It will happen on Friday, September 28th. Doors will open at 6:00pm, and the presentation and conversations will start promptly at 7:00pm and end no later than 9:30pm. For those of you who plan to drive or carpool, some parking is available on site or on surrounding streets.

The evening will begin with light appetizers, followed by structured discussion and dialogue. There will be ample time to socialize before, in between, and after the discussions. Accommodations will be available.

Please RSVP (link is below) no later than September 14th to confirm your spot and request accommodations. We ask that you fill out the registration form to register for the event.
